MSA Schedules Second Quarter Earnings Webcast

PITTSBURGH, July 9, 2014 /PRNewswire/ -- MSA Safety Incorporated (NYSE: MSA), the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures, announced today that it will host its second quarter earnings conference call on Thursday, July 24, 2014 at 8:30 a.m. Eastern Time.

Investors and interested parties will have the opportunity to listen to the conference call live via the Internet at www.MSAsafety.com. Please log onto MSA's website 15 minutes prior to the start of the call to register. A replay of the conference call will be available at www.MSAsafety.com for 30 days.

A press release outlining MSA's 2014 second quarter financial results will be distributed on July 23, 2014 after the market closes.

About MSA

Established in 1914, MSA Safety Incorporated is the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures. Many MSA products integrate a combination of electronics, mechanical systems and advanced materials to protect users against hazardous or life-threatening situations. The company's comprehensive line of products is used by workers around the world in a broad range of industries, including the fire service, the oil, gas and petrochemical industry, construction, mining and utilities, as well as the military. Principal products include self-contained breathing apparatus, fixed gas and flame detection systems, handheld gas detection instruments, head protection products, fall protection devices and thermal imaging cameras. The company also provides a broad range of consumer and contractor safety products through a joint venture with MCR Safety. These products are marketed and sold under the Safety Works® brand. MSA, based north of Pittsburgh in Cranberry Township, Pa., has annual sales of approximately $1.1 billion, manufacturing operations in the United States, Europe, Asia and Latin America, and more than 40 international locations. Additional information is available on the company's Web site at www.MSAsafety.com. Information on Safety Works products can be found at www.SafetyWorks.com.
