

MSA to Present at Baird Industrial Conference

PITTSBURGH, Oct. 30, 2014 /PRNewswire/ -- Global safety equipment manufacturer MSA Safety Incorporated (NYSE: MSA) today announced that members of management will be presenting at Baird's 2014 Industrial Conference at the Four Seasons Hotel in Chicago, Ill. on Wednesday, November 12, 2014 at 10:00 AM CT.

A real-time audio and slide webcast of the presentation can be accessed at <http://investors.msasafety.com> . A replay of the webcast will be available on MSA's investor relations website through February 12, 2015, under the "News and Events" menu.

About MSA

Established in 1914, MSA Safety Incorporated is the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures. Many MSA products integrate a combination of electronics, mechanical systems and advanced materials to protect users against hazardous or life - threatening situations. The company's comprehensive line of products is used by workers around the world in a broad range of markets, including the oil, gas and petrochemical industry, the fire service, the construction industry, mining, and the military. The company's core products include self - contained breathing apparatus, fixed gas and flame detection systems, portable gas detection instruments, head protection products and fall protection devices. With 2013 revenues of \$1.1 billion, MSA employs approximately 5,300 people worldwide. The company is headquartered north of Pittsburgh in Cranberry Township, Pa., and has manufacturing operations in the United States, Europe, Asia and Latin America. With more than 40 international locations, MSA realizes approximately half of its revenue from outside North America. For more information, visit MSA's website at www.MSAsafety.com.
