MSA Press Room

MSA to Present at Stifel Industrials Conference

PITTSBURGH, June 8, 2016 /PRNewswire/ -- MSA (NYSE: MSA), the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures, today announced that William Lambert, Chairman, President and Chief Executive Officer, and Kenneth Krause, Vice President, Chief Financial Officer and Treasurer, will attend the Stifel Industrials Conference at the Palace Hotel in New York City on Monday, June 13, 2016. Mr. Lambert and Mr. Krause will present from 1:15 p.m. to 1:45 p.m. EDT.

A real-time audio and slide webcast of the presentation can be accessed at http://investors.MSAsafety.com . Following the presentation, a replay of the webcast will be available for 90 days at the link listed above, under the "News and Events" menu.

About MSA

Established in 1914, MSA Safety Incorporated is the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures. Many MSA products integrate a combination of electronics, mechanical systems and advanced materials to protect users against hazardous or life-threatening situations. The company's comprehensive line of products is used by workers around the world in a broad range of markets, including the oil, gas and petrochemical industry, the fire service, the construction industry, mining and the military. The company's core products include self-contained breathing apparatus, fixed gas and flame detection systems, portable gas detection instruments, industrial head protection, fire and rescue helmets, and fall protection devices. With 2015 revenues of $1.1 billion, MSA employs approximately 4,600 people worldwide. The company is headquartered north of Pittsburgh in Cranberry Township, Pa., and has manufacturing operations in the United States, Europe, Asia and Latin America. With more than 40 international locations, MSA realizes approximately half of its revenue from outside North America. For more information, visit MSA's website at www.MSAsafety.com.
